HOSTED BY BROWNIE TROOP 3029 AND THEIR PARENTS

ST. ELIZABETH GIRL SCOUT HOLIDAY MOVIE NIGHT Friday, December 2

Need to go Christmas shopping? Want to have dinner with your spouse or friends? We have the perfect opportunity for you and your family. The St. Elizabeth Junior Girl Scout Troop parents are hosting the 5th Annual “Holiday Movie Night” for St. Elizabeth children grades Kindergarten through 4th. **“The Smurfs” will be the movie we are featuring.** Snacks and beverages will be provided. (Please have your children bring their sleeping bag, pillow and slippers so they are more comfortable.)

When the evil wizard Gargamel chases the tiny blue Smurfs out of their village, they tumble from their magical world and into ours – in fact, smack dab in the middle of Central Park. Just three apples high and stuck in the Big Apple, the Smurfs must find a way to get back to their village before Gargamel tracks them down. Neil Patrick Harris, Jayma Mays, Sofia Vergara, and Hank Azaria star on camera opposite an all-star voice cast. Anton Yelchin will play Clumsy Smurf; comedy legend Jonathan Winters, who voiced roles in the "Smurfs" television series, will voice Papa Smurf; Grammy-nominated singer-songwriter Katy Perry will play Smurfette; Alan Cumming will play Gutsy Smurf; "SNL's" Fred Armisen will voice Brainy Smurf; and George Lopez will play Grouchy Smurf. In the live-action roles, Azaria will play the Smurfs' nemesis, the evil wizard Gargamel. Harris and Mays star as an expectant couple whose lives are turned upside down when the Smurfs cross over from their magical village to New York City. Vergara plays Odile, Harris's boss, a cosmetics executive. PG

The **fastest growing type of trash** in the United States is **electronic waste**: computers, TVs and other consumer electronics. Cathode tubes found in most computer monitors and televisions contain significant amounts of lead while other equipment may contain mercury, cadmium, chromium and other heavy metals. When electronic devices are land filled, these pollutants pose environmental risks.

Bring your Electronic Waste and safely dispose of it at the Annual E-Waste Collection!
