Child Care for 10:00 am Sunday Mass

Interested in child care for your children during 10:00 Sunday mass? YAP's (Young Active Parishoners) thinks it will be a great opportunity for our children and the St. Elizabeth's community. They are targeting the first day of child care to start on Sunday Oct. 2. This service will be offered for children 1- 5 years of age. The program will be centered around God and the Catholic faith. They plan on reading books, singing songs, reading short bible stories, arts and most importantly a fun, safe and loving environment for our kids. It will be held in the cafeteria. In order to get this started they need your help.

There will be a quick informational meeting after 10:00 mass on Sept. 18 and Sept. 25 in Seton Hall. They will be explaining your roles as volunteers and what you can expect for your children. Both parents should attend this meeting so child care will be offered during this meeting. Please call Lori Underwood at 816-522-5375 with any questions regarding volunteering or using the child care program.

That's a wrap. Enjoy the beautiful weather!
Sharon and Chris Lester

Do you know the importance of this poster?

To Parents of Walking/Biking Children,

For the safety of our children, many St. Elizabeth parents who are typically at home after school have volunteered to be block parents. If you have a child that walks home from school, please familiarize them with places where they could stop for assistance.

A list of addresses plus a small map is on the next page. Show your kids some of the homes on their walking route that display this poster in their window. Let your kids know they can feel safe stopping at any of these homes should they need help. Obviously, these volunteers can't be home all of the time, that is why there is a large number of homes surrounding the school area for them to choose from.

A big thank you to Anne Welsh for leading the block parents again this year.

Hope this helps.

Sincerely,

The CPTA
